Packaging design, flexo printing events: the complete guide to all next packaging exhibitions

In Italy, Europe and beyond our continent, the events linked to the world of the flexographic printing increase from year to year and now are very numerous. Staying updated about each of them is certainly not easy, because of myriad of different sites and unclear or misleading information. Flexo 24 proposes a guide to fairs, exhibitions and seminars concerning the world of the **flexographic press** and makes available to each user an useful and easy to consult calendar about the **flexible packaging** and labeling trade fairs.

Start now and become a Flexo 24 customer: [create your own plate!](#)

Download now the Flexo 24 Calendar 2018/2019 and in a few steps you can know all Packaging events, trade fairs, trade shows & conferences.

To get the Calendar and stay updated on all the packaging world fairs, download the PDF file:
